Re: Earth Energy Resources plan to run a resistivity survey on Trust Land leases in Sec. 32, 35 and 36, T15S and T15.5S. R.23E., Grand County, UT.

Dear Mr. Baker:

The resistivity survey will be conducted September 11-16, 2006. Attached is a location map of the area to be examined. This is a non-invasive electrical survey. No ground disturbance is anticipated. If you have any questions, Please call me at 801-733-7079.

Thank you
Sincerely

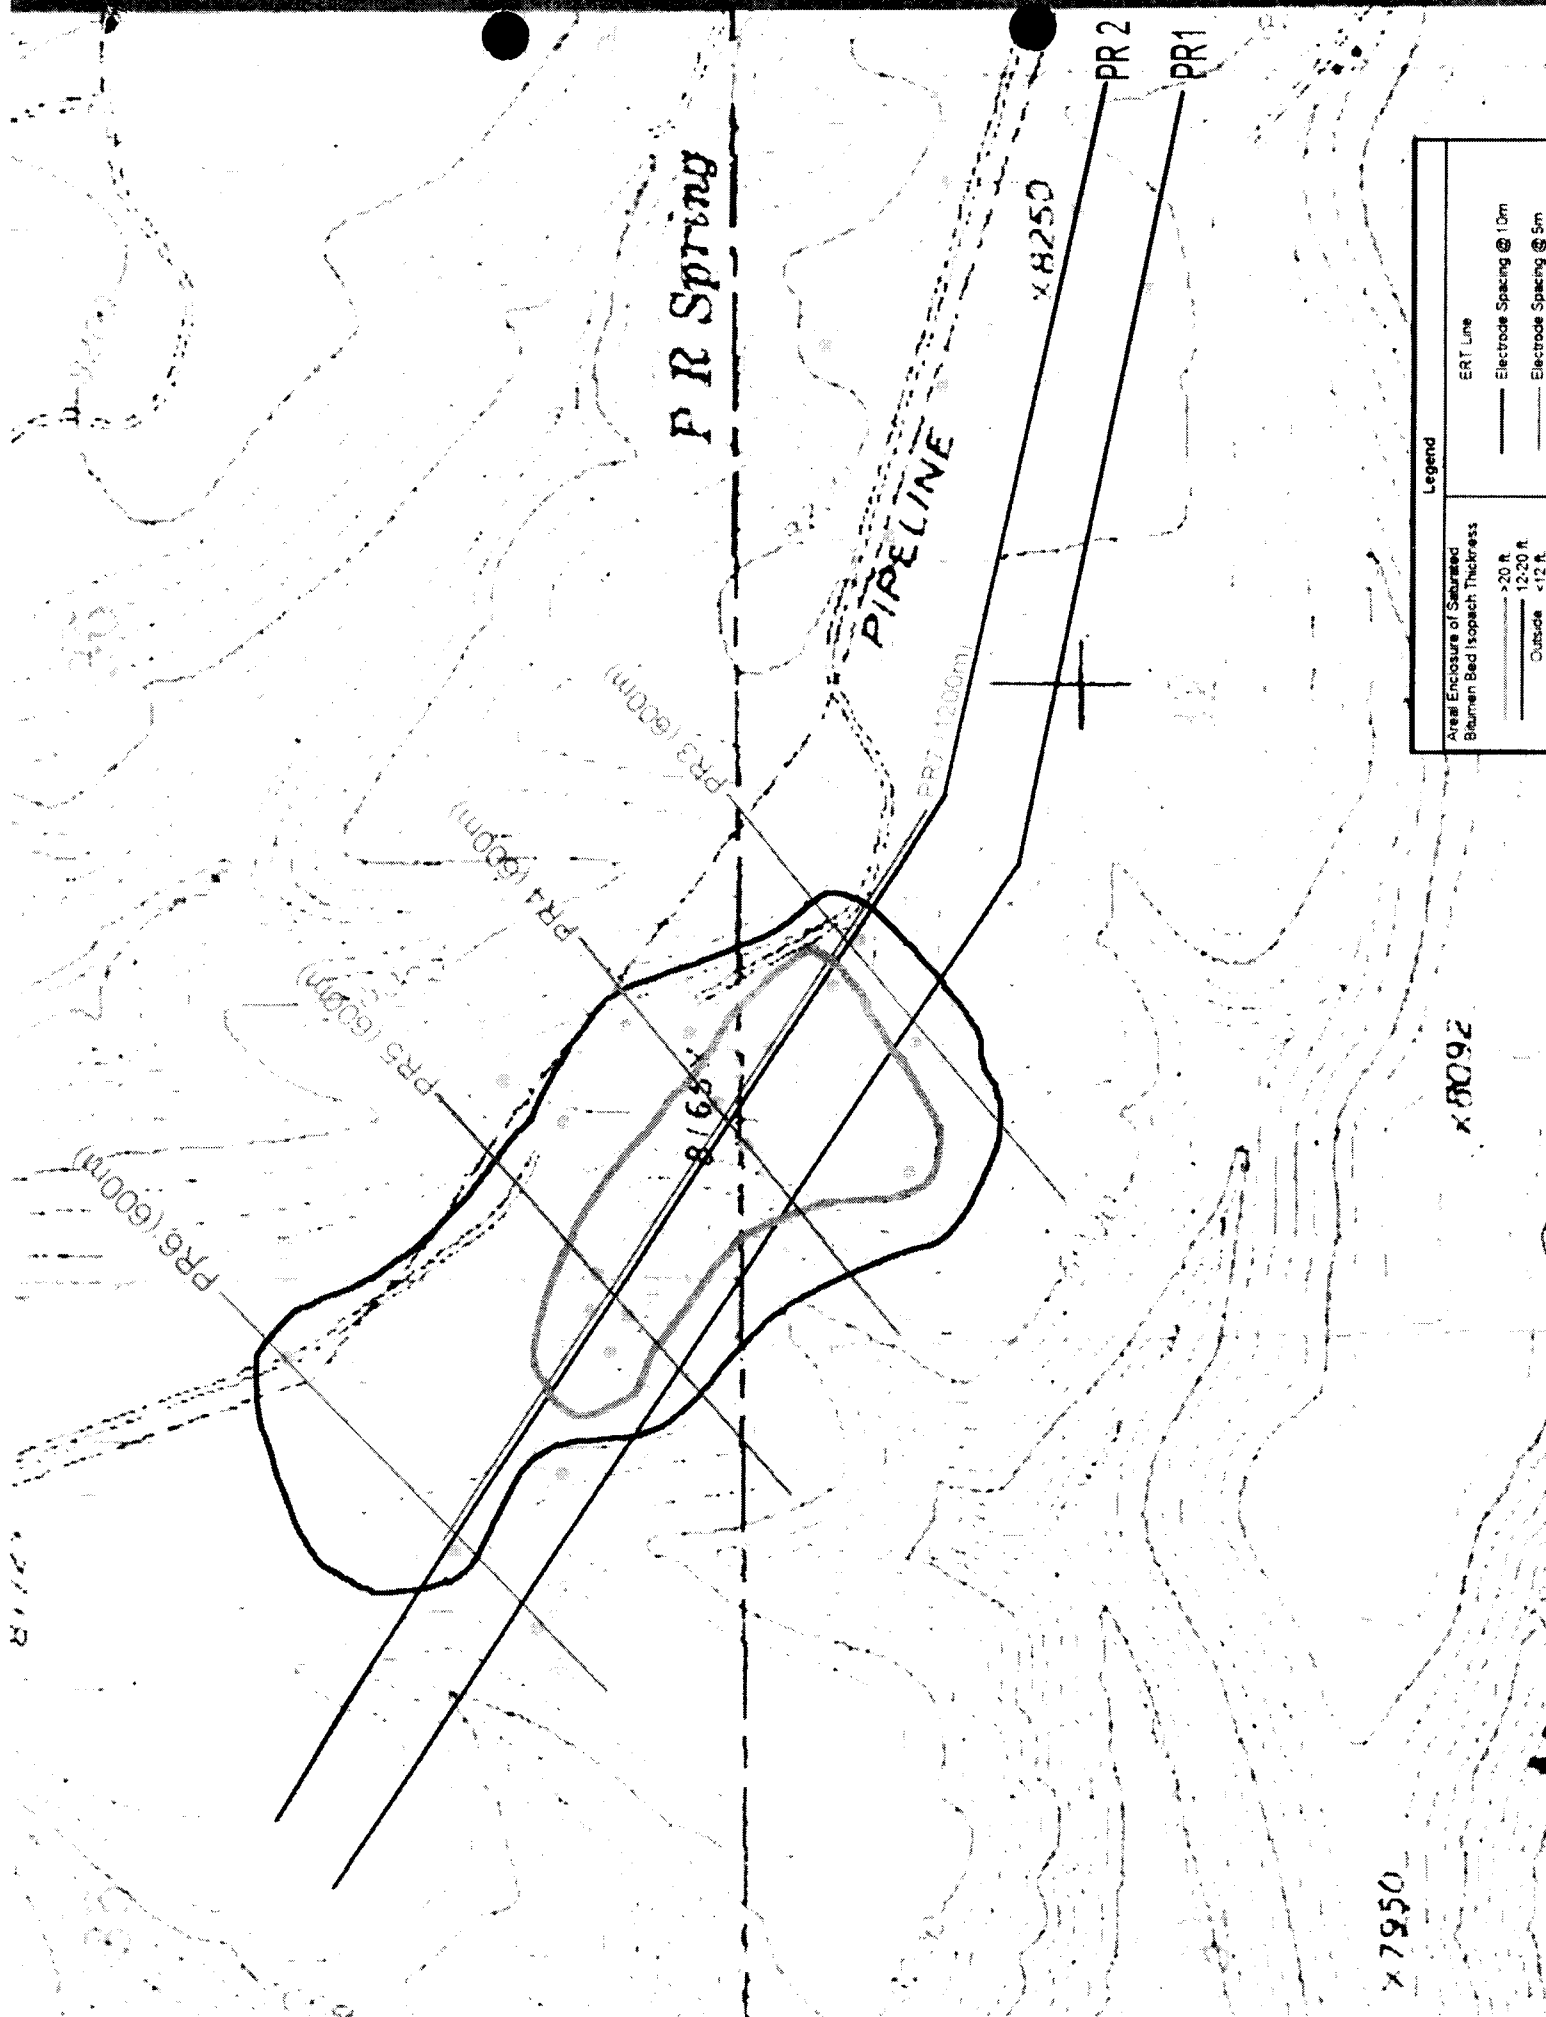

GERALD M PARK
Park Geological Consultants
